Greeting and Salutations everyone,

It was nice to see members at the last meeting asking questions and sharing experiences. We know every time we get a new tree, One stops and think how and where will I care for it in winter. We all know the seasons change quickly in Buffalo.

A thank you to Hank Miller for his demo on styling and refinement of a boxwood. The tree was donated and auctioned off to the members.

Some members have offered some of their time to represent the club on the Japanese Cultural Day Sunday November 6th. Thank you and look forward to seeing you there.

This month we have a special speaker Ron Maggio from Rochester NY. He has an

exceptional Suiseki Collection. Come listen to some wonderful stories of his collection. He is very proud of having three
